

I'm A Member, Now What?

Part 2: Spectating Vs. Participating

Ecclesiastes 9:10 - Why are you here? Are you a help or hindrance?

- I. **Do Not Ask What Your Church Can Do For You, But What You Can Do For Your Church**
 - A. **Offer** to be a **help** rather than waiting to be asked. *Show initiative!*
 - B. You should **want** to **see** your church blessed as much as you **want** to **be** blessed.
 - C. Never wait for **others** to do what you **can do** *right now*.

- II. **Watchers Never Work And Workers Never Watch**
 - A. Watch out for people who always have a **problem** when you do what they **don't want** to do.
 - B. Never base what you are **willing** to do on what someone else does. Because God will not base your **blessings** on them either.
 - C. Workers must never be **deterred** by watchers.

- III. **Never Forget, This Is God's Work** **Colossians 3:23**
 - A. Your **reward** comes from **Him**.
 - B. Do not look for a **reward** from man that only God can **provide**.
 - C. Never base what you **do** for the Church/God on what you can **get**.
 - D. If you will be good to God's **church**, He will be good to **you**.
