

## "THE 7 PILLARS OF OUR CHURCH" Pillars Part 2: Real & Relevant Worship

*"To worship is to quicken the conscience by the holiness of God, to feed the mind with the truth of God, to purge the imaginations by the beauty of God, to open the heart to the love of God, to devote the will to the purpose of God." William Temple*

- To worship is to experience reality, to touch life. Worship is to know, to feel, and to experience the resurrected Christ in the community.
- Worship is breaking into the Shekinah of God or being invaded by the Shekinah of God.
- Worship is our response to the overtures of love from the heart of the Father.
- Worship is kindled within us only when the Spirit of God touches our human spirit.

"As a result, we need not be overly concerned with the question of a correct form for worship. The issue of high liturgy or low liturgy, this form or that form is peripheral rather than central. We are encouraged in this perception when we realize that nowhere does the New Testament prescribe a particular form for worship..... When Spirit touches spirit the issue of forms is wholly secondary." Bienhome Muivah
